## Despite the fact that they have the ability then to the forces lies in the men hand.

Dehradun, Shruti.

Rape can be verbal, visual, or anything that powers an individual to participate in undesirable sexual contact or consideration. Instances of this are voyeurism, exhibitionism, inbreeding and inappropriate behavior. Assault is a typical type of rape. It is submitted by and large out on the town, by a companion or an ass-

ociate, or when you think you are distant from everyone else. Teach yourself on "date assault" drugs. They can be slipped into a

beverage when a casualty isn't looking. Never leave your beverage unattended—regardless of where you are. Attempt to consistently

know about your environmental factors. Brutality against ladies by any one is never right, regardless of whether the abuser is somebody you date; a present or past life partner, sweetheart, or sweetheart; a relative; a colleague; or an outsider. You are not to blame. You didn't make the maltreatment happen, and you

are not answerable for the fierce conduct of another person. Another significant piece of getting help knows whether you are in a harsh relationship. There are clear signs to assist you with knowing whether you are being manhandled. The girl are not safe because the men behind them tries to rule them.

## Doctors and Nurses have forgotten about their own lives and are working day and night to save people from Covid-19.

Dehradun, Shurti.

Specialists are in the bleeding edge of the fight against coronavirus pandemic which has now influenced near 5,000 in India and has guaranteed 149 lives. The Paraclinical staff and specialists getting tainted by coronavirus coming into the light, the center has now moved to these valiant spirits. Covid-19 is exce-

ptionally irresistible and subsequently to treat the patients, specialists and Paraclinical staff needs to wear Personal Protection Equipment or PPE which includes defensive dress, goggles, gloves and so forth. Be that as it may, these are hard to come by and costly (Rs. 1,000 to Rs. 2,000 a set) and social insurance laborers are

feeling the squeeze to monitor assets. The defensive riggings must be disposed of after one use. With staff lack and short flexibly of PPEs, numerous specia-

lists and attendants are currently falling back on constant labor for 6-7 hours in one go, with no breaks. Numerous medical caretakers and specialists have

been whining of weariness, lack of hydration and cerebral pains because of the exhausting time table.

The doctors and nurses are forgetting about their own families and are working hard to help the nation, so that they can come out of this difficult time. This time doctors are acting on be half of the soliders to protect the nation.
