

Frequent Questions & Answers - School of Agriculture & Allied Sciences

Q1. What is the eligibility for apply in B.Sc. Agriculture / Forestry Program?

Ans.1. A pass in 10 + 2 (Class XII) or its equivalent examination with minimum 60% aggregate of marks in Biology, Physics and Chemistry and with not less than 50% in each of these three subjects

Q2. What is the job prospects after B.Sc. Agriculture / Forestry ?

Ans.2. The curriculum is designed to train students through a multidisciplinary approach by integrating technological advancements and the offered courses are in tune with international standards and as envisaged by Indian Council of Agriculture Research. At present, our Corporate and Industrial Relations Directorate is linking students with various industries and helping them with placements depending on industrial demands. Specifically, students get placement in government departments as Agricultural or Extension Officers and in banks as Agricultural Development Officers. In addition, students are eligible to apply for any jobs where a general science degree/agriculture is set as eligibility condition. For example, students can apply for Indian Civil Service examination after securing a degree in Agricultural Science.

Q3. Are there any field visits / surveys ?

Ans.3. Yes, as Dehradun is surrounded by hills and forest, so you will get a chance to study all types of muds and forest nearby such as Rajaji Tiger National Park, Jim Corbett National Park. We also take students on village, factory and other institutional visits such as Forest Research Institute, ISRO, Wildlife Institute of India and more other organisations.
